HEALTH AND SAFETY POLICY

The company management acknowledges its responsibility for the healthy and safe working conditions of its employees and declares the following commitments which express the company's approach to occupational health and safety protection.

1. To comply with all relevant laws and regulations regarding occupational health and safety protection, including related provisions in the field of forestry works and related activities.
2. To thoroughly control all health and safety risks arising from our work activities.
3. To enable our employees to participate in solving occupational health and safety protection issues; to provide them with information, guidance and control.
4. To improve the safety equipment, company machinery, and to keep them in a safe condition.
5. To ensure that all employees are competent to perform their tasks and to provide them with the appropriate training.
6. To incorporate the aspects of occupational health and safety protection into supplier-customer relations.
7. To maintain healthy and safe workplace conditions and to prevent any accidents and cases of occupational disease.
8. To ensure the safe handling of substances.
9. To assess and revise this Company Policy at regular intervals.

By its approach, the company management of PETRA spol. s r.o. is committed to creating the conditions for fulfilling the Health and Safety Policy in the daily work of all of us.

All employees working for the company or to the benefit of the company are acquainted with this Policy.

Hodonín, 8.1.2020
